THE TRUSTEES RECORD - Note: It is a Club rule that Trustees are in Office for a 5 year period extendable to a total of 10 years. In recent years - the elected **terms are in red** with the current 5 year period in **bold red** & the other 5 year period *in red italics*.

MISSING RECORDS AS AT DECEMBER 6, 2007:

1. **MISSING CLUB SECRETARIES** & correct dates for whole period up to Jonathan ["Joff"] Hutchinson taking office. Some assumptions have been made but require confirmation.
 - a. **Club 1950 Bulletin** – reports that Mostyn Williams retired & Capt M H Eveleigh RN became Secretary late that year. Taken as a fact.
 - b. George Edwards is mentioned as being the Club Secretary in the **Club Bulletins** for the years 1958, 1961, 63, 67, 68, & 71. Retired in 1973. Taken as a fact.
 - c. The year Squadron Leader George Edwards retired & Group Captain Howard L Lewis took up office. Estimated to be 1973/1974 Club years. This looks likely to be true as **Bulletin 1974** states Howard Lewis was Secretary then. Taken as a fact.

2. PICTURES OF THE COMMODORES:

These now archived on the Club Website.

3. GENERAL COMMITTEE:

- a. Previously know as the Executive Committee. Changeover date found to be 1989/90.
- b. Members generally serve in latter years for a 3 year period - except under exceptional circumstances it is extended.
- c. Blue Year numbers on right of each yearly table indicates the last year each member is elected to serve.
- d. Members' names missing from 1922 –1948 due to the Great Flood of 1989 when part of the records stored on the ground floor were destroyed.
- e. At one time during the 1980 -1990s it appears there was a “custom” to always elect at least one woman to the General Committee. Termed as the “obligatory woman” – source Mrs Cam Otten. Reason was a scarcity of women getting proposed and elected.
- f. Years 2010/11 & 2011/12 – it must be noted their were 5 ladies serving on the GC.

4. ROYAL WARRANT & PATRONS:

- a. 1936 was the year the Club could fly a defaced red ensign.
- b. The granting of title “Royal” was due to a concerted effort by Maj. Potter and the successful efforts of our only lady Commodore – The Hon Mrs Cecil Brownlow in 1938
- c. Our Patron at the time was the Duke of Gloucester.
- d. Princess Anne the Princess Royal – has been our Patron since 1980.

Lymington River Sailing Club

Spring 1914 – August 1914	This record is quoted from the Royal Lymington YC 1922-1972 Anniversary Book.
Captain	Captain H. H. Nicholson
Hon. Secretary and Treasurer:	Major A. O. L. Kindersley
Lady Member:	Mrs. R. L Bayliff
Hon. Starter:	The Rev. F. S. Trevor-Garrick
<p><i>The Lymington River Sailing Club was founded in the early days of 1914. There were eighteen members, the Captain of the Club being Captain H. H. Nicholson. The purpose of the Club was to race the Prams in weekly races between May 15th and August 15th. Before the Club's first Annual General Meeting was held, the world went mad. On August 4th, the Great War erupted.</i></p>	

Re-birth of Lymington River Sailing Club after the Great War 1914-1918

1922			
Post War – Prime Mover	Maj. Cyril Potter	This record is quoted from the Royal Lymington YC 1922-1972 Anniversary Book.	
<p>The Prime Movers By the autumn of 1921, sailors on the Lymington River had ceased to eye each other with curiosity. They hailed each other in passing, until, eventually, names and addresses were exchanged. There was on the water, a Royal Yacht Squadron member, a Major Cyril Potter, O.B.E., who owned several boats. He lived in a house called 'Blake's', which had been re-named 'Ferry Point', and he invited to his house anyone who was interested in forming a club. The proposal was unanimously endorsed by the four ladies and six men present. By the spring of 1922, The Lymington River Sailing Club was re-created - some eight years after it had lapsed. The aim of the club was to provide regular racing between June and September for a Handicap class, the Solent Sea Birds and the Prams. The subscription was a guinea a year or ten shillings for those living outside a ten-mile radius from Lymington Church. The first gun of the first race was fired on Saturday, June 3rd, 1922. <i>Please Note ±* The Handwritten Minutes of this meeting are in the Club Archives. ±*</i></p>			
<p>Archivist's Comment: <i>It would appear that the Club's Anniversary Date - Saturday, June 3rd, 1922.</i> <i>Although strictly the Spring of 1914 is the original Anniversary date. The very first race was held on 15th May 1914 – which was a race for 11ft Pram Dinghies.</i></p>			
<p>Early Days of Racing Though the Prams had raced together in 1914, no keel boats had as yet appeared for organised racing. The summer of 1922 saw, in addition to the Prams, the regular racing of a Handicap class. The start-line was from Major Potter's motor cruiser, <i>Wendy</i>. whose skipper, another Captain Harper, fired a shot-gun into the air. The year 1922 also brought into the river a new 18ft. sloop-class boat, the Solent Sea Bird. Built at Cowes for £80, complete, they were stiff, good sea-boats, and delightful to handle. The first 14ft Pram was built for Capt. H H Nicholson in 1925 by Dan Bran. On August 16th, the highlight of the year was the Lymington Town Regatta in which not only the L.R.S.C. boats, but many visitors competed. Present also was the Lymington Rowing Club, which had always been an enthusiastic supporter of the Regatta. The year ended with high hopes: membership stood at eighty-five and the search for a club-house had begun.</p>
