

Lymington SailAbility

Three Course Lunch & Wine

12 Noon for 12:30 Lunch

After Lunch talk by Geoff

FRIDAY

19th March

A Charity Lunch with Geoff Holt

At the Royal Lymington Yacht Club. All proceeds to Lymington SailAbility

Geoff's unique "Personal Atlantic Challenge," saw him sailing his 60ft, purpose-built, wheel-chair-accessible catamaran on an expedition across the Atlantic Ocean. The 2,700 miles was a journey of a lifetime which overcame the odds in which Geoff became the first person who is quadriplegic, to make the journey, totally unassisted in every aspect of sailing.

The charity lunch is an opportunity to meet Geoff to hear and understand with unique insight the challenges that he had to face, when his terrible accident made him quadriplegic. This is the story of how he conquered his 'Everest' and why the support for SailAbility is such a lifeline to so many.

New Horizons for the Less Able
